BISCOTTI & TORTINA

Cerasani

A selection of Italian pasticceria (little pastries). Made in Umbria by Dolciaria Cerasani who have been making these fantastic pastries to old family recipes which have been passed down from the founder, Attilio Cerasani. He started his production of baked products for the local towns in 1952 using only a small wood burning oven. The company, which is still family owned continues his legacy to produce the same traditional flavours of a bygone age.
